Sea Camp programs are led by Bob Carroll. He has a masters degree in marine science, 30+ years of experience leading field trips all over the Chesapeake Bay and has been a classroom teacher for the past 18 years (currently at Norfolk Academy). Our camps use kayaks, stand up paddleboards, surfboards and nets to play and investigate our local estuarine habitats. Every camper wears a life jacket when we are in water of any depth. All camps run from 9 AM – 3 PM. Proceeds support our award-winning student oyster restoration program in Virginia schools.

To Register: Mail this form together with full camp payment. Checks should be made payable to Oyster Reef Keepers of Virginia, or ORKV, and mailed to:
